

Plan Fee Guide

Our price guide illustrates the fees associated with different dental and cosmetic procedures. We provide a written estimate of any proposed treatment following your consultation so that you are fully informed at every step. We take great pride in the quality of care we provide and always seek to allow ample time to ensure we offer a relaxed, enjoyable and unhurried service to our patients.

Covid-19 has had a huge impact on our lives. In dentistry we have had to make changes for the safety of our patients and staff so this means we have had to increase our fees. Unfortunately dentistry for the foreseeable future will be completely different and it is our duty to protect our patients and our staff.

A Covid surcharge of £45 will be added to all Aerosol Generated Procedure appointments, this is to cover extra cleaning and infection control procedures and additional personal protection equipment.

A Covid surcharge of £10 will be added to all hygienist appointments where a patient is either on Denplan or on our Surrenden Dental Plan.

Our hygienist fee is £87 this will cover the cost as above plus a nurse to assist the hygienist. If a plan patient your fee will be minus 10% for an extra session not included in your annual entitlement.
